How to remove a Baseline

Baselining in Connecting Steps · https://support.bsquared.co.uk/docs/how-to-remove-a-baseline/

To remove a baseline on the Level Summary Screens

1. Navigate to **Assessments | Individual Level Summar**y (or **Group Level Summary**) in Connecting Steps.
2. Select the required group type, group, student and framework from the drop-down lists in the selection panel.

   Your selection displays on screen.
3. Tick the "**delete baseline**" tickbox (a **red B** appears when you hover over the grid).
4. Click on the green "B" of the baseline you wish to remove.

   The baseline will disappear and the Status column will display "Baseline Required".
