Group Assessment by Strand screen overview

Assessing in Connecting Steps · https://support.bsquared.co.uk/docs/group-assessment-by-strand-screen-overview/

Use the **Group Assessment by Strand** screen to assess a whole cohort of students regardless of their level.

Add achievement function

You can add achievements on this screen by using the **Add Achievement** function.

The filter function

Use the filter to refine your selection. For example: to only show students working on a particular framework, or to select particular students, or to choose additional levels to view.
